

Product Features

- Integrated heat dissipation structure housing
- Professional wall lamp lens with uniform light color and reasonable illumination angle
- Structural waterproofing and patented technology fundamentally solve the waterproof problem

Main application

- Ladder corner
- Internal wall

Technical specifications

Product item	PHBN80002-WL
Installation	Wall mounted
Housing material	Aluminium+tempered glass
Power supply	AC220V、 DC24V
Watt(W)	24W
CCT	W.Y.R.G.B
Size(mm)	φ114x231mm
Lifetime	50,000 hrs

Product dimension(mm)

PHBN80002-WL
