

Product Features

- High-impact shock and vibration resistance
- Reasonable structure and high quality materials
- No glare and uniform light distribution

Main application

- Tunnel

Technical specifications

Prouduct item	PHBN80013-WW
Installation	Fixed
Material	Aluminium
Power supply	AC220V、 DC 24V
Watt(W)	72W
CCT	-
Control	-
Size(mm)	L222xW314xH47mm
Lifetime	50,000 hrs

Product dimension(mm)

PHBN80013-WW
